

CULTURALLY RESPONSIVE MATH ASSESSMENT

How can connections to land, story, community and math guide us in creating culturally responsive assessment practices?

Wed Nov 2 2022 • Wed Jan 25 2023 • Wed Feb 22 2023
via Zoom 3:30-4:45pm (Pacific Time)

Join us for this 3-part interactive series with leading scholars and educators. All sessions will be recorded.

For more information and to register:
<https://elvlc.educ.ubc.ca/culturally-responsive-mathematics-assessment/>

Sessions will include opportunities to try activities in your own classroom or context.

Offered with support from the UBC Edith Lando Virtual Learning Centre, David Robitaille Professorship in Math and Science Education, Indigenous Math Education Network, Dogwood 25, and BC Rural Education Advisory.
